Dear parents/guardians and students,

I have been informed by Public Health/HSE of a case of Covid-19 in a student who attends this school. However, the student did not attend the school during her assumed infectious period and therefore no close or casual contacts have been identified in the school setting. School can therefore proceed as scheduled.

I express the hope that the student and her family are well.

Please be assured that I shall keep you fully updated on any advice given by Public Health/HSE.

Kind regards,

Billy O' Shea,
Principal.
