

MOVIE: "16 ANS"

LOCATION: Garter Lane, Waterford

The TYs who do French went to watch a French movie in Waterford. Ms. Zimmermann, Mr. Kavanagh and Mr. Cornejo accompanied us. This was fun as well as a learning experience. We reached Waterford at around 10 but the movie started at 11.20 so we had an hour and 20 mins of free time. The movie is called "16 Ans". The movie has English subtitles which helped a lot. This was a very moving story. Leo and Nora, the main characters, fall in love but they are faced with family conflicts that would separate them, but they fight to be together. The ending was very upsetting but overall, it had a wonderful storyline that glued us to the screen. After watching the movie, we got time to grab lunch. It was a very chilly day, but this did not stop us from wandering the streets. We had to be at the bus stop at 2.20pm and we reached school at 3.15pm. It was a memorable trip, and the movie will be remembered.
